

THE UNIVERSITY OF
SYDNEY

Help us understand the experiences of Chinese-Australians during the COVID-19 pandemic by completing our survey. Your input is crucial in shaping policies that promote inclusivity and address discrimination.

Key Points

- **Confidentiality:** Your responses will be kept confidential and used only for research purposes.
- **Impact:** Your insights will contribute to understanding the challenges faced by Chinese-Australians and inform future initiatives.
- **Quick and Easy:** The survey is short and can be completed in just a few minutes.
- **Community Support:** Your participation supports efforts to promote diversity and inclusion in Australia.

How to Complete

1. Scan the QR code below to access the survey.
2. Complete the survey by answering the questions honestly and thoughtfully.
3. Share the flyer with friends, family, and community members to encourage more participation.

Deadline: 10th of May, 2024
